

Nancy Miller-McKenzie

I am a retired Financial planner and Manager of Scotiabank. My true passion and diploma are in the fitness field. For the past 10 years I have been teaching fitness to adults in The Workshop Dance Studio. My interest in KYC comes from over 10 years with the Rotary Club of Kemptville and our partnering with KYC as well as my friends Jennifer Franssen and Bruce Wehlau. I like to cook, bake and stay active and look forward to using these skills to inspire healthy living in our youth.
