

Bruce was born in the UK and has been a Canadian Citizen for over 30 years. He has spent his working life as a banker, primarily in the Far East and USA. Now retired, he and his Canadian born wife Nancy moved from the UK to Kemptville in 1999.

Since that time, Bruce has been involved with the Kemptville Rotary Club and sees his involvement with the Youth Centre both as a service to the community and a continuation of the Rotary support of the Youth Centre.
