

Jessica joined the board of directors in February 2021 to further her passion of helping and empowering youth in her community. Jessica takes pride in her career with Family and Children Services as a Child Protection Worker. Jessica obtained a bachelor's degree in Criminology and Criminal justice as well as a diploma as a Social Service Worker. Jessica has an array of experience working with youth over the years which include youth mental health, addictions and child protection.

Jessica has grown up in the surrounding area of Kemptville and ultimately made the move to Kemptville in 2018. While residing in Kemptville, Jessica took joy in spending her days in the community with her beloved Golden Retriever as well as enjoying all of the local amenities.

Jessica is looking forward to being involved in an organization that allows our youth to have a safe place for their voices to be heard. Jessica is passionate about our local youth as she understands how big of an impact this support can make in their lives.
